Letter of Recommendation - Hannah Parker

To Whom It May Concern:

I am writing this letter of recommendation for Hannah Parker who recently completed her student teaching placement at Kamloops Christian School. During Hannah's time with us, she demonstrated exceptional dedication, passion and skill in the field of education. She is a professional who possesses strong organizational and communication skills as well as an extraordinary work ethic.

As Hannah's mentor teacher, I had the pleasure of observing her teaching style and techniques first hand. She effectively planned engaging lessons which encouraged active participation, critical thinking and self reflection. Timely and effective feedback was provided to help students achieve their best. Hannah grew in her ability to identify and address the diverse needs of students and strove to tailor her lessons to meet the needs, interests and strengths of students.

Hannah was able to build positive relationships with students and colleagues. Students felt valued through her continual support, encouragement and a genuine interest in their lives. Her compassionate, calm demeanor and consistent expectations helped to earn their trust and respect. In addition to her strong teaching skills, Hannah also demonstrated and modeled to students a growth mindset. She was receptive to feedback and actively sought out opportunities to develop her teaching craft.

Based on Hannah's performance during her placement, I have no doubt that she will be an excellent teacher who will make a positive impact on her student's lives.

Please feel free to contact me if you require any additional information.

Sincerely,
