## OBJECTIVE

As a passionate and dedicated educator, my objective is to be an advocate for physical literacy in schools, I strive to create opportunities for students to engage in physical activity and promote lifelong health and wellness. I am committed to empowering students to become critical thinkers and responsible citizens, equipped with the knowledge and skills necessary to succeed in the 21st century.

## SKILLS

- PATIENCE/EMPATHY
- COLLABORATION
- COMMUNICATION
- CLASSROOM MANAGEMENT

## EXPERIENCE

### Practicum IV: Kamloops Christian School

January-March 2023

This practicum I returned to my class from Practicum III and taught there for 10 weeks. By week 5, I was teaching full time. This practicum involved teaching a full course load, being involved in assessment, attending staff meetings and devotions, and collaborating with multiple teachers.

### Practicum III: Kamloops Christian School

September 2022

This practicum I spent the first three weeks in a Grade 6 class, plus the week before spending time in IEP meetings, all staff meetings, and individual meetings with my teacher mentor. This practicum involved building relationships and good rapport with the students and looking at how the classroom teacher spent the first few weeks setting up her classroom.

### Practicum II: St. Anns Academy

April 2022

This practicum I spent two weeks in a Kindergarten class. In this practicum I taught a Science and a Math unit. I spent most of the time practicing classroom management skills and proper lesson closures.

### Practicum I: Aberdeen Elementary

October-December 2021

This practicum was mostly observation and included seven full school days in a Grade 7 class. In this practicum, I taught four ELA lessons and worked alongside the Grade 7 teacher in individual student support, whole class discussion, and group work.
